Dear Friends

We humbly thank all of you for your generous support to NICE for the past 10 years. We have been able to completely provide for quality education, boarding and lodging to 145 boys and 27 girls this year in a caring environment. A separate campus has come up for the girls and we have also constructed a staff quarters to accommodate 22 staff (teaching and non-teaching) members. This has been possible only because of sustained support from donors like you, who have seen the development of the organization and are helping us grow.

The school has continued achieving 100% pass rates in the 10<sup>th</sup> standard. Several of these students are continuing to stay with us as they pursue their 11<sup>th</sup>, 12<sup>th</sup> standard and higher studies. Two of the students were selected in Sri Satya Sai University, Bangalore for B.Sc. (Hons) degree. Another student got selected in CA (CPT) examination with good marks. All other students have also joined graduate schools and universities. Two of the children who are doing their Intermediate (10+2) are toppers in their college in Narsaraopet, Guntur. We are also supporting those who wanted to pursue jobs based on life skills and encouraging them to join in ITI courses from other institutions.

Financial support from donors has increased from Rs 2 lakhs (during 2002-03) to Rs 75.3 lakhs (during the 2011-12 financial year). To date, for the past 10 years, I have been running the organization without taking a single rupee as salary. A lot of people have come forward to extend support to my family, and for our children's education. I am grateful for the voluntary contributions of many people: Giri Kolanupaka (website of NICE), K. Jeevan Babu and G. Sambasiva Rao (for finalizing the accounts within one week of the financial year end), Sharath Chandra (Butterfly Fields) for providing training in Maths and Sciences without expecting anything in return, Seetha Murthy and Dhanunjaya (Director of Silver Oaks School, supporting our children's education) to name a few. I specially thank Mr. Abhilash Nama (USA) and M. Satish (UK) and their families who have been helping me meet my personal expenses. Because of them and all other volunteers who are supporting the work of NICE in numerous other ways, our organization's administrative expenses are extremely low (less than 3%). We are also not taking any funding from the Govt of India or the State Govt. We place on record our deep appreciation and special thanks to Microsoft, Asha, NetEnrich Technologies, SVS Projects, Intelligroup Asia Pvt. Ltd, Samidha Group, Charities Aid Foundation India (New Delhi), and Anuthara Partha , Koganti Udaybhaskar Rao, Ganne Phani Prasad, Lakshmi Deepika, Prasanna Lakshmi (USA), Sandhya Reddy (USA), Dr. Jhansi Ainsworth (USA), and Sri C.Ramakrishna.

Nothing gives us greater satisfaction than to see orphan and needy children blossom and realize their full potential in life through our collective efforts. We request you to refer to our school such children you might come across.

P. Purnachandra Rao,  
Founder and Secretary, NICE

# What do others think about us

**Dr. Vani Yelamanchili and Prasanna Lakshmi Yelamanchili (Your Inner Soul, USA):**

I have visited the school and this seems to be totally different school compared to all others. All the students have self-discipline, know their responsibilities and act accordingly. I have conveyed the same to my staff members in USA and they too have shown interest in visiting the school.

**Dr. Jhansi Ainsworth (UK):**

I have visited the school two years ago and this year when I have visited again, there is an addition of girls home and the school campus next the boys campus has come up already. This is fastest growth that I have seen in any organization.

**Dr. Subbaraju, IIT, Kottapalli Trust**

The moral values in the children show the dedication and commitment for value education among the teachers. This has to be appreciated and there is definitely a good potential for further development.

**Sheena (D.E Shaw) and Vijay (Value Labs):**

This is one of our favorite schools. Compared to our previous visit, there has been good improvement in terms of infrastructure and also in the performance of children. Our support will continue for this school and we will keep visiting them.

**K. Sharathchandra, IIT, IIM, Managing Director, Butterfly Edufields Ltd.**

Seeing the performance of the school, I will continue to support them by giving training to children in Mathematics and Sciences. Either I or one of my company colleague will visit the school on a monthly basis and train the children for competitive examinations. I hope to continue my involvement this way for a long while as I feel the organization is humble and transparent. My colleagues have also responded and contributing for the cause. Particularly Mr. G.V. Subrahmaniam, Krishnaveni, and Phani contributed Rs. 1 lakh for the cause with free tuition classes conducted for nearly 20 days.

**Anuthara and Partha:**

From the last 8 years we have been supporting this school. But we could only make a visit this year and see how our contribution has been utilized. We are very happy to see that our donations have been used in such a wonderful way.

**Appalaneni Saibabu (USA):**

I visited NICE school 4 years back. Recently visited the school again and was amazed at the transformation and development that has taken place during this time. Taking part in the Independence Day celebrations at the school and spending time with the children, my childhood guru Sri V.B.Chary garu and other schoolmates was a memorable experience. I would certainly continue my association with the school and support it in any way I can.
